\* Many thanks to the ISD PTCO for hosting the campus beautification on October 22. The participants painted several pieces of playground equipment in the playground just behind the Health Center. The equipment looks like new with the fresh coat of paint.

\* The Administrative Team and five representatives from the BiBi Committee will be meeting soon to continue discussions about how both groups can work together to continue strengthening the BiBi philosophy at ISD. The two groups met for the first time this year on October 25 with Tom Fiutak as facilitator. The meeting was very positive and the groups agreed to meet regularly throughout the school year.

\* The Administrative Team would like to express its appreciation to the BiBi Committee for the suggestion of bringing Tom Fiutak to ISD for the October Professional Days. The subcommittee included David Geeslin, Sharon Wooten, Scott Jensen, Beatrice Pfaff, Bob Canty, and Diane Hazel. Many thanks to each of them for their assistance in getting Mr. Fiutak scheduled to be at ISD.
